FCC ANNOUNCES GRANT OF MDS AUTHORIZATIONS

Report No. D-922-A

April 18, 1997

By the Mass Media Bureau:

By this Public Notice, the Mass Media Bureau grants the listed applications for Basic Trading Area (BTA) authorizations and conditional station licenses in the Multipoint Distribution Service (MDS). Authorizations for non-small business licensees that have paid the full amount of their winning bids have been issued and mailed.

Small business licensees are eligible to pay the remaining balance of their winning bids in installments pursuant to Section 21.960(b) of the Commission's rules. For small business licensees who elect to participate in the installment payment plan, grant of each authorization is expressly conditioned upon execution by the licensee of a note documenting the licensee's installment payment obligations and a security agreement commemorating the Commission's security interest in the authorization in the event of default.

Each small business licensee will receive a note and security agreement for each BTA authorization granted, with instructions on completing, signing, and returning the documents to the United States Department of Treasury. Individual authorizations will be issued for each licensee following receipt by the Department of Treasury of the notes and security agreements.

For payment information, please contact the Office of Managing Director, Regina Dorsey at (202) 418-1995. For legal and licensing information, please contact the Mass Media Bureau, Charles Dziedzic at (202) 418-1600, Sharon Bertelsen at (202) 418-7057 or Nazifa Naim at (202) 418-7059.
